

ZOOM MEETING JULY 27, 2024

ARTICLES 191–193

The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified *it* by his angel unto his servant John: Who bare record of the word of God, and of the testimony of Jesus Christ, and of all things that he saw. Blessed *is* he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: **for the time is at hand**. Revelation 1:1–3.

And he saith unto me, **Seal not the sayings of the prophecy of this book: for the time is at hand**. He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still. And, behold, I come quickly; and my reward *is* with me, to give every man according as his work shall be. **I am Alpha and Omega**, the beginning and the end, the first and the last. Revelation 22:10–13.

The Word, the Truth, **Alpha and Omega**, Divinity Combined with humanity

And cried with a loud voice, as *when* a lion roareth: and when he had cried, seven thunders uttered their voices. And when **the seven thunders** had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which **the seven thunders** uttered, and write them not. Revelation 10:3, 4.

Alpha and Omega—PROGRESSIVE Events of Millerite history and the events history of one hundred and forty-four thousand, Progressive truth—Paul, John, Sister White, Post 1989, Post 9/11, Post July 2023, Hidden history

And when he had opened **the seventh seal**, there was silence in heaven about the space of half an hour. And I saw **the seven angels** which stood before God; and to them were given seven trumpets. And another angel came and stood at the altar, having a golden censer; and there was given unto him much incense, that he should offer *it* with **the prayers of all saints** upon the golden altar which was before the throne. And the smoke of the incense, *which came* with **the prayers of the saints**, ascended up before God out of the angel's hand. And the angel took the censer, and filled it with **fire of the altar, and cast it into the earth**: and there were voices, and thunderings, and lightnings, and an earthquake. Revelation 8:1–5.

July 2023— **Alpha and Omega**: The seven angels with the Seven Trumpets represent the Executive Judgment which begins at the Sunday law in the United States, and they also represent the Executive Judgment that begins when Michael stands up and human probation closes. The first period, from the Sunday law until Michael stands up, God's judgments are mixed with mercy, but then the Seven Last Plagues are God's judgments that are not mixed with mercy. The opening of the Seventh Seal is when the Executive Judgments are being prepared, as represented by the seven angels.

Daniel chapters two and nine identify “the prayers of the saints” as a prayer to understand the events associated with Nebuchadnezzar's hidden dream of the image of the beasts, and the

repentance and confession associated with the “seven times,” of Leviticus chapter twenty-six. The prayers that are mixed with the incense in the “golden censer” that ascended up before God, are prayed by those who are called to be among the one hundred and forty-four thousand, who at that time receive the seal of the living God, as the fire from the altar is cast into the earth.

And when they shall have finished their testimony, **the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them.** And their dead bodies *shall lie* in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified. And they of the people and kindreds and tongues and nations shall see their dead bodies three days and an half, and shall not suffer their dead bodies to be put in graves. And they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth. And after three days and an half the Spirit of life from God entered into them, and they stood upon their feet; and great fear fell upon them which saw them. And they heard a great voice from heaven saying unto them, Come up hither. And they ascended up to heaven in a cloud; and their enemies beheld them. And **the same hour was there a great earthquake, and the tenth part of the city fell, and in the earthquake were slain of men seven thousand:** and the remnant were affrighted, and gave glory to the God of heaven. **The second woe is past; and, behold, the third woe cometh quickly.** And **the seventh angel sounded;** and there were great voices in heaven, saying, The kingdoms of this world are become *the kingdoms* of our Lord, and of his Christ; and he shall reign for ever and ever. And the four and twenty elders, which sat before God on their seats, fell upon their faces, and worshipped God, Saying, We give thee thanks, O Lord God Almighty, which art, and wast, and art to come; because thou hast taken to thee thy great power, and hast reigned. And **the nations were angry,** and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldst give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldst destroy them which destroy the earth. And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail. Revelation 11:7–19.

July 2023, Death—Ezekiel 37, Daniel 10, Michael

Then **Daniel went to his house, and made the thing known to Hananiah, Mishael, and Azariah, his companions:** That they would desire mercies of the God of heaven concerning this secret; that Daniel and his fellows should not perish with the rest of the wise *men* of Babylon. Then was the secret revealed unto Daniel in a night vision. Then Daniel blessed the God of heaven. . . . But there is a God in heaven that revealeth secrets, and maketh known to the king Nebuchadnezzar **what shall be in the latter days.** Thy dream, and the visions of thy head upon thy bed, are these; As for thee, O king, thy thoughts came *into thy mind* upon thy bed, what should come to pass hereafter: and he that revealeth secrets maketh known to thee what shall come to pass. But as for me, this secret is not revealed to me for *any* wisdom that I have more than any living, but for *their* sakes that shall make known the interpretation to the king, and that thou mightest know the thoughts of thy heart. Daniel 2:17–19, 28–30.

Image of the beast test, eighth is of the seven, Corporate prayer

Yea, all Israel have transgressed thy law, even by departing, that they might not obey thy voice; therefore **the curse** is poured upon us, and **the oath** that *is* written in the law of **Moses** the servant of God, because we have sinned against him. . . . And whiles I *was* speaking, and praying, and confessing my sin and the sin of my people Israel, and presenting my supplication before the Lord my God for the holy mountain of my God; Yea, whiles I *was* speaking in prayer, even the man Gabriel, whom I had seen in the vision at the beginning, being caused to fly swiftly, touched me about the time of the evening oblation. And he informed *me*, and talked with me, and said, O Daniel, I am now come forth to give thee skill and understanding. Daniel 9:11, 20–22.

Personal prayer, the seven times—Miller, 1856–63, Philadelphia to Laodicea, 9/11, (Alpha and Omega), post July 2023 Laodicea to Philadelphia, outpouring of Holy Spirit, seventh seal

And there are seven kings: five are fallen, and one is, *and* the other is not yet come; and when he cometh, he must continue a short space. And the beast that was, and is not, even he **is the eighth, and is of the seven**, and goeth into perdition. Revelation 17:10, 11.

Alpha and Omega; Post 1989, Post 9/11—July 2023

“The book that was sealed was not the book of Revelation, but **that portion of the prophecy of Daniel which related to the last days**. The Scripture says, ‘But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased’ (Daniel 12:4). When the book was opened, the proclamation was made, ‘Time shall be no longer.’ (See Revelation 10:6.) The book of Daniel is now unsealed, and the revelation made by Christ to John is to come to all the inhabitants of the earth. By **the increase of knowledge a people is to be prepared to stand in the latter days**. . . .

“In the first angel’s message men are called upon to worship God, our Creator, who made the world and all things that are therein. They have paid homage to an institution of the Papacy, making of no effect the law of Jehovah, but **there is to be an increase of knowledge on this subject**.” *Selected Messages*, book 2, 105, 106.

Alpha and Omega—1989 last six verses Daniel eleven, July 2023 Hidden history of verse forty—Daniel 11:1, 2; 10–16, seven thunders, Daniel two and nine, seventh seal, Revelation eleven

DANIEL 10:1, 11:1—THE TIME OF THE END IN 1989

Daniel 11:10—1989 verse sixteen in the Sunday law

DANIEL 11:11, 12—RAPHIA (THE BORDERLINE)

In the near future Russia will end the war in Ukraine with a victory, and the victory will prove to be the beginning of the end for Putin and Russia. Just as Gorbachev reorganized (perestroika) his empire and then fled to the United Nations, political Russia will be brought under

the authority of the United Nations, while religious Russia will be brought under the control of the papacy.

PANIUM—VERSES 13–15

1989 marked the disintegration of the Soviet Union, and the last of the three battles of verse forty represents the disintegration of Russia. The Battle of Panium is the third and last battle of verse forty, and it was typified by the first battle. When the first battle was over the entire world acknowledged that the only superpower in the world was the United States. That world domination will be repeated at the conclusion of the last battle, for it is there, that, in spite of the alliance formed between Antiochus III and Philip of Macedon, (the United States and the United Nations), the United States (apostate Republicanism) will be established as the premier king of the ten kings (the dragon—the United Nations.) Panium, also being Ceasarea-Philippi represents an alliance between Rome and a lesser Rome (apostate Protestantism). Panium and Ceasarea-Philippi together represent a threefold alliance between the UN, the USA (church and state) and Rome in advance of the Sunday law.

TRUTH

The three battles of verse forty bear the signature of “Truth,” for the first represents the last, and the middle battle represents rebellion. The first and last victorious proxy army (the United States) prevails, but the second proxy army loses, and the second proxy army is Nazism, a world symbol of rebellion.

TRUMP

Trump will be elected in 2024, and prevail over the globalist Democrats and professed Republican globalists, for as the image of Rome, the dragon is given to the beast. and he will form an alliance with the globalists of the United Nations, for the purpose of resolving the fallout from the demise of Putin and Russia. Then the whore of Tyre will then intercede on behalf of Russia.

Son of man, Nebuchadrezzar king of Babylon caused his army to serve a great service against Tyrus: every head *was* made bald, and every shoulder *was* peeled: yet had he no wages, nor his army, for Tyrus, for the service that he had served against it: Therefore thus saith the Lord God; Behold, I will give the land of Egypt unto Nebuchadrezzar king of Babylon; and he shall take her multitude, and take her spoil, and take her prey; and it shall be the wages for his army. I have given him the land of Egypt *for* his labour wherewith he served against it, because they wrought for me, saith the Lord God.

In that day will I cause the horn of the house of Israel to bud forth, and I will give thee **the opening of the mouth** in the midst of them; and they shall know that I *am* the Lord. Ezekiel 29:18–21, see also Daniel 11:42, 43; **Jeremiah 15:19**.

In the Battle of Panium, the history of the first of the three battles of verse forty is repeated. In the first battle, represented by the collapse of the Soviet Union in 1989, the first of the last eight presidents served as the papacy’s proxy army. That first president was a Republican, therefore the last will also be a Republican president. The first president was known for his rhetoric concerning the wall of the iron curtain, that as a prophetic waymark came down when the Berlin Wall came down on November 9, 1989. The last Republican president will be known for his rhetoric concerning the wall on the southern border of the United States, and the waymark that will mark Trump’s testimony of building the wall will be the Sunday law, where the symbolic “wall of

separation of Church and State” is removed. The first president survived an assassination attempt and so did the last president. That first president was a former media star, known for his sharp speaking skills and sense of humor. The last president is a former media star, known for his sharp speaking skills and sense of humor.

TRUTH

The three political campaigns of Donald Trump bear the signature of “Truth,” for he wins the election in his first and last campaigns, but in the middle campaign he is defeated by the beast of atheism, (the dragon power), the symbol of the rebellion represented by the thirteenth letter of the Hebrew alphabet that when placed together with first and last letter form the Hebrew word “Truth.”

Verse ten of Daniel eleven identifies the time of the end in 1989, and verse sixteen identifies the soon coming Sunday law. Verses ten through fifteen represent the hidden history of verse forty, which is the portion of the book of Daniel that was sealed up until the last days. When verses ten through fifteen are placed (line upon line) into the hidden history of verse forty, the portion of Daniel that relates to the last days is unsealed. That portion is unsealed just before probation closes for Sabbath-keepers at the soon coming Sunday law. It therefore represents the Revelation of Jesus Christ and the opening of the seventh seal.

Verses ten through fifteen unseal the hidden history of verse forty, and in so doing they simultaneously identify that the sealing of the one hundred and forty-four thousand is now being accomplished upon those who have met the requirements of the prayers represented by Daniel and the three worthies in chapter two, and by Daniel in chapter nine. The distinction between the two prayers can be recognized as a corporate prayer asking for an understanding the external events of prophecy (Daniel two), and a private prayer to realize the internal experience of prophecy (Daniel nine). Their private prayer must be in the context of the sealing represented in Ezekiel nine, for they must be grieved over the sins in the land and in the church.

Verse two takes the history to the first term of Donald Trump, and then leaves a hidden history from that sixth richest president unto the seventh kingdom (the United Nations), represented by Alexander the Great. Between Xerxes the rich king in verse two, and Alexander the Great there were eight Persian kings. The hidden history of verse two until verse three, represents eight kings. Thus, from the conclusion of the first term of Trump until the seventh kingdom of Bible prophecy there are a total of ten kings that span the hidden history of verse two to three of Daniel chapter eleven.

The number ten is a symbol of a test, and the test that occurs in that very history is the formation of the image of the beast. The sixth richest president stirs up the globalists beginning with his first campaign in 2015, and in doing so he marks the beginning of a struggle between the two witnesses of Revelation chapter eleven and the dragon beast of atheism, that does not cease until the Sunday law of verses sixteen and forty-one. Within that warfare Donald Trump was the first president to stir up the dragon and he is also the last. Trump is the last president of the earth beast, and Trump will become the first leader of the seventh kingdom. In so doing Trump represents the first and last of ten kings who agree to give their kingdom unto the papacy, and ten represents a test.

1776, 1789 and 1798 represent three histories that establish that the eighth president is of the seven. 1776 represents the publication (speaking) of the Declaration of Independence, and

marks the beginning of the period of the First and Second Continental Congresses that ended in 1781.

1789 represents the ending of the period when the Articles of Confederation were produced. The period began in 1781, and concluded with the publication of the Constitution in 1789.

1798 represents the publication of the Alien and Sedition Acts, and the beginning of the earth beast as the sixth kingdom of Bible prophecy.

1776 TO 1781

The Continental Congresses are divided into two prophetic periods of the first congress and the last congress. The First Continental Congress had two presidents and Peyton Randolph was the first president. The Second Continental Congress had six presidents. **Peyton Randolph was the first president of both the First and also of the Second Continental Congresses.** There was a total of eight presidents during the history of the First and Second Continental Congresses. Peyton Randolph was the first president of both the First and Second Continental Congresses, a prophetic period where there were eight presidents, but the first president of each of the two periods was the same person. Therefore, though there were eight presidential terms, there were actually only seven presidents. The first president was twice the first president of seven persons who were presidents, and Randolph therefore represents the eighth, that was of the seven, and upon two witnesses he typifies the first actual president, who was George Washington.

Washington is represented by Randolph, and therefore Randolph, as a symbol of Washington, conveys both the prophetic characteristics of Randolph the first president, and that Randolph was the eighth, that was of the seven. Thus George Washington, as the first president was also prophetically the eighth, and was of the seven. Trump, as the last president will also be the eighth, that is of the seven.

The second president of the Second Continental Congress was John Hancock. The Second Continental Congress ended in 1781. From 1781 to 1789, identifies the history of the Articles of Confederation. The period is symbolized by the date 1789, with the publication of the Constitution. In that period there were also eight presidents. The Articles of Confederation represented the first Constitution, but the weakness of the Articles of Confederation led to its replacement, and the ratification by **thirteen** colonies of the Constitution in 1789.

In that period the eight presidents consisted of seven presidents who were not presidents in the history of the period represented by the previous two Continental Congresses, and one who was a president in that first prophetic period. John Hancock served in both the second Continental Congress, and also in the period represented by the Articles of Confederation. At the prophetic level, there were only seven men who were president during the two Continental Congresses, thus prophetically John Hancock was one of the eight in the period of the Articles of Confederation, but he was also one of the seven men from the previous period. He was therefore the seventh, that was of the eighth.

The second prophetic period, represented by 1781 to 1789, like the first period, had a president (Hancock) who was the eighth, and of the seven, as was Randolph in the first prophetic period represented by 1776.

In both periods of eight presidents, the enigma of the eighth being of the seven is represented. Those two periods provide witness that the first genuine president (Washington) also had the prophetic enigma attached to his symbolism, by his typification represented by Randolph. These three witnesses address Trump. Trump as represented in verses one and two in chapter

eleven, is illustrated only through his first term, which ended when the second election was stolen by the beast from the bottomless pit.

The history which fulfilled those verses, includes a hidden history between that point of the richest king (Xerxes) and the introduction of Alexander the Great, representing the Sunday law, when the ten kings briefly become the seventh kingdom. Between the rich king and the ten kings who agree to give their seventh kingdom unto the papacy, there were eight kings. Those eight kings that make up **the hidden history of verse two unto verse three**, find two witnesses of eight presidents in the history of 1776, 1789 and 1798.

That history bears the symbolism of **twenty-two years**, identifying it as a history of the sealing of the one hundred and forty-four thousand when divinity is joined with humanity. It also bears the witness of “Truth,” for the beginning marks independence and the ending marks the removal of independence, while **thirteen years after 1776, thirteen colonies** ratified the Constitution. It also identifies two periods of eight kings (presidents) that both contain the enigma of the eighth being of the seven.

Trump as the sixth president in 2016, and as the last leader of the sixth kingdom also represents the first and last of ten sequential kings. The number ten identifies the testing process of that history, and the test that precedes and concludes at the Sunday law is the formation of the image of the beast. The image of Nebuchadnezzar’s beast-dream represents eight kingdoms, and in so doing provides the witness that the image of the beast test is represented by the number “eight.”

APOSTATE PROTESTANTISM

In the testing history of the line of the Maccabees, representing the line of the horn of apostate Protestantism and the line of the horn of apostate Republicanism represented by Antiochus III, the lines and horns come together into one horn, that is an image of the papacy. In the same history the image of God is fully and permanently reproduced in those represented as the one hundred and forty-four thousand.

The hidden history of verse forty is unsealed within the hidden history of verse two unto verse three, and the history of verses ten through fifteen. When Trump becomes the eighth president that is of the seven at his inauguration on January 20, 2025, the eight kings between Xerxes and Alexander the Great mark the arrival of the formation of the image of the beast, and Trump represents the first and last of the ten sequential kings.

DANIEL 11:13–15

The three verses represent the line of the Republican horn of the earth beast, and identify the prophetic steps of Donald Trump as he enters into his second term as the eighth president that is of the seven presidents. After the Battle of Raphia of verse twelve, “Antiochus” first suppresses a rebellion within the United States, then prepares for a war against globalism, represented by Egypt in the Battle of Panium. Trump wins that war, but the war initiates World War Three (Actium). These activities were typified by Antiochus III Magnus, who had been defeated by Egypt at the Battle of Raphia, but would victoriously retaliate at the Battle of Panium.

In verse thirteen, “after a number of years,” Antiochus Magnus, as Uriah Smith states, “Antiochus,” “having suppressed rebellion in his kingdom, and reduced and settled the eastern parts in their obedience, was at leisure for any enterprise when young Epiphanes came to the throne of Egypt; and thinking this too good an opportunity for enlarging his dominion to be let slip, he raised an immense army “greater than the former”. Trump will first suppress a rebellion in his

kingdom, and then prepare a larger army than he had when he was previously defeated. Trump was slain in 2020, in fulfillment of Revelation chapter eleven, when the beast of atheism, representing worldwide globalism, and the globalists of both the Democratic and the Republican parties stole the election, and as the primary proxy army of the whore of Tyre it will also defeat Putin after Putin's victory over the Ukraine.
